THE FAST LANE TO INTERNATIONAL VISIBILITY

International reach

We are globally active and networked.

Texpertise connects your company online with international B2B decision-makers from the entire textile value chain. Our network also includes over 60 trade fairs worldwide.

Strong brand presence

Relevance begins with presence.

We connect the attractive variety of textile topics directly with your brand. Whether new materials, innovations in production or sustainability visions – content creates the relevant surrounding.

Valuable leads

One network. Many opportunities.

Texpertise Network takes your business solutions to where they are needed and uses digital formats to target specialist audiences with a specific interest.

Clear, focused and internationally visible.
