The West Coast's Premier Sourcing Destination Returns to Los Angeles This Summer

Texworld LA Expands Its West Coast Marketplace with Home Textiles Sourcing LA and Interfilère Los Angeles

The West Coast's premier textile and apparel sourcing destination returns to Los Angeles this July, bringing together Texworld LA, Apparel Sourcing LA, and the debut of Home Textiles Sourcing LA for three days of global sourcing, trend discovery, education, and industry connection. Taking place **July 21–23 at the California Market Center**, the event offers attendees complimentary access to dynamic sourcing events featuring international exhibitors, specialty sourcing opportunities, trend forecasting, and industry-leading educational programming designed to inspire the future of fashion, home, and lifestyle products, among other highlights.

This year's event marks an exciting expansion for the West Coast sourcing community with the introduction of Home Textiles Sourcing LA, creating one of the region's most comprehensive sourcing experiences spanning textiles, apparel manufacturing, and home products.

"We're thrilled to introduce Home Textiles Sourcing LA to our West Coast community," said Jennifer Bacon, Vice President, Fashion and Apparel Shows at Messe Frankfurt Inc. "As the needs of our industry continue to evolve, we're committed to creating experiences that connect our attendees with innovative sourcing solutions, educational opportunities, and meaningful conversations that help move their businesses forward."

Special Feature Highlights:

Trend Forecasting & Innovation

International trend-forecasting agencies, Peclers Paris and NellyRodi, return to deliver exclusive Fall/Winter 2027/28 presentations, offering attendees an early look at the colors, materials, macro trends, and consumer shifts shaping the seasons ahead. Attendees can look forward to exploring multiple curated trend displays, including a special showcase from the Taiwan Pavilion.

Textile Talks: Industry Leaders Take the Stage

This year's Textile Talks programming explores the topics shaping fashion's future—from artificial intelligence and circularity to bio-based materials, localized manufacturing, and natural fiber innovation. Sessions are designed to provide actionable insights for designers, brands, sourcing professionals, and entrepreneurs alike. Attendees will hear from executives and innovators representing leading brands and organizations, including SKIMS, GUESS, Cotton Incorporated,

Hyosung, Homeboy Threads, as well as emerging leaders in AI-powered fashion technologies and sustainable manufacturing.

Specialty Sourcing Opportunities

Attendees can easily identify suppliers aligned with their sourcing priorities through dedicated sourcing categories, including:

Texpertise Econogy – Messe Frankfurt's sustainability initiative highlighting exhibitors committed to environmentally and socially responsible production practices.

Deadstock – Discover unique surplus and excess fabrics that support circular fashion initiatives while offering one-of-a-kind sourcing opportunities.

Low MOQ – Connect with suppliers offering low minimum order quantities, ideal for emerging brands and businesses seeking greater production flexibility.

Co-Located Partner Event: Interfilière Los Angeles

Making its West Coast debut, Interfilière Los Angeles brings its internationally recognized sourcing experience for intimates, swimwear, activewear, and lifestyle products to the California Market Center.

Interfilière USA's Director of Visitor Promotions, Kirsten Griffin, said *"Interfilière Los Angeles arrives at the epicenter of fashion, wellness, and lifestyle innovation, bringing a fresh and highly curated sourcing experience to the West Coast for the very first time. As California's influence continues to redefine the global fashion landscape, our event connects visionary brands with international suppliers, innovative materials, and emerging trends shaping future collections. More than a trade show, Interfilière Los Angeles is a destination where inspiration sparks innovation and the next wave of intimates, swimwear, activewear, and lifestyle products take shape."*

One Registration. Four Events. Endless Opportunities.

From worldwide sourcing and education to trend discovery and networking, attendees can tailor their experience across Texworld LA, Apparel Sourcing LA, Home Textiles Sourcing LA, and Interfilière Los Angeles—all designed to inspire what's next for their business.

Information on Texworld and Apparel Sourcing Los Angeles

Messe Frankfurt, organizer of Texworld New York City and Apparel Sourcing New York City, the east coast's leading event for the textile sourcing industry, launched Texworld Los Angeles and Apparel Sourcing Los Angeles, a west coast version of its highly successful New York event. The debut show took place in Los Angeles, California, on July 25-26, 2023, in the California Market Center (CMC). The past events have shown an upward growth at Texworld New York City and opened the door to offer the same dynamic event to the buyers on the West Coast seeking high-quality textile options from a diverse product selection. Catering to a wide range of sourcing professionals from apparel fabric buyers, research and product development specialists, to designers, merchandisers, and others, Texworld and Apparel Sourcing Los Angeles encompasses all sectors of the sourcing industry, inviting them to gather, build new relationships, and foster collaboration. Learn more at texworldla.com.

Information on Interfilière

Interfilière is a leading international trade show dedicated to the sourcing of fabrics, components, and innovations for the intimates, swimwear, and activewear industries, connecting brands, designers, and manufacturers with specialized suppliers from around the world.
